We Work Behind The Scenes

We, the Havilook Staff, began in 1946 to plan this annual and tried, with some success, to bring between its cover new ideas. Even with all the hard work, it was a lot of fun; taking pictures in silly and serious poses, writing the class prophecy, will and school activities, trying to talk everyone we saw into buying an annual. Too, it was fun getting out of classes with some excuse or another to work on the Havilook.

The Staff hopes that in the years to come you will open the Havilook and recall all the pleasant memories that you have of this year.

1947 Class Will

We, the class of 1947 being of sound minds (even if we can't prove it!), strong bodies, and with full intentions of living a while longer do hereby make, publish, and declare our last (?) will and testament.

To the faculty we leave our sincerest thanks and appreciation for their guidance through our years at Haviland-Scott School. We hope they will have many pleasant memories of the class of '47 and not think too harshly of the little pranks pulled in the lower grades.

To the jolly juniors, we will the title "sophisticated seniors" and our seats in the study hall. (You won't need to buy any gum for quite some time.)

Lafie wills his ability to be a "Lone Wolf" (it was "willed" to him by Bob Hough and is a much treasured possession) to Emmit Lehman. You'll have to watch carefully or you won't have it to "will" to anyone next year, Emmit!

Bob Friend, being in a very altruistic mood, is willing to will Bill Murphy one sixteenth of an inch of his height. Better take it while you can get it, Bill!!

Ruby wants to GIVE her "favorite" Royal typewriter to anyone silly enough to want it. WELL!!! Don't all yell at once!

Carolyn wills all the boys in Paulding County except one to all the girls in Haviland-Scott School. Here's hoping you have as much luck as she did!!!

Bill Fast leaves his position as Editor of the Havilook to the poor fish the faculty picks next year. Don't be as gullible as he was!

Janet Green wills the office telephone back to the school. It's about time, we all think. Now if she will just give us the list of phone numbers we will all be happy.

Gordon Kimmey leaves his chin dimple to Wilmena Bartels. You ought to have quite a collection of "willed" items by now, "Babe"!!!

Mary Lou leaves her ability to make the "wolves" howl to Eloise Rodman. You can take it or leave it!!

Bob Williams wills his ability to play basket ball to Lyle Stoller. You can't get rid of it that easy, Bob, nor can you gain it this simply, Lyle.

Class Prophecy

Two vitamin B-one pills plus a glass of nitro-glycerine and we find ourselves in the future some twenty odd years. Haviland looks somewhat different than it did after leaving a few minutes ago. As I stand gazing at the gorgeous surroundings, a beautiful girl approaches and asks if I am lost. After picking up my eye-balls, I tell her I am, and she offers to show me the town. She introduces herself and she turns out to be none other than Mary Lou Yenser, a former classmate. As we proceed down the street we pass a multi-millionaire, who she tells me is William Fast. He is now the owner of twenty thousand acres of land in Antarctica. She also tells me he made his fortune with two mules and an acre of land. We then go into a large building owned by Leeth, Leeth, Leeth, and Leeth, Incorporated. This man Leeth is president of a large photography firm and has a fine business. One of his models is Miss Ruby Craft, a former Powers Model, who is working for Leeth because of that extra thousand a week. Leeth orders us banished from the building and we awake in front of the massive structure. As we are crawling out of the mud, a large car drives up and out steps Robert Williams, owner of the Boston Red Sox. They haven't lost a game since Bob took over in 1947. We wish him the best of luck in the future and go on down the street. A very loud noise is heard and a large plane roars overhead towing a huge sign. This is just another political campaign by Gordon Kimmey, mayor of Scott, who wants to become President of the United States. "Skip" is still up to his old tricks. As we are getting hungry, we drop into a large tea room and find the head waitress to be none other than Janet Green assisted by Carolyn Tomlinson, who specialize in serving large dinners to servicemen, especially the Army. After eating one of the best dinners in the world, I proceed with a little coaxing back to the kitchen to help with the dishes.

This just goes to show what a person can do if he has a good imagination and a third period study hall.

Sports Review

Sports are a vital part in one's school life. They teach us to think fast and accurately and are readily enjoyed by everyone. We students are very proud of the different forms of recreation at Haviland-Scott High.

PRACTICE MAKES PERFECT

The team worked hard this year and found that hard work "pays off." Having a fine set of boys helps but Coach Scarbrough deserves much credit.

They won the league championship with only one defeat in the county schedule. Although the tournament champs beat the Wild Cats in the semi-finals the season as a whole was most successful.

Dec. 13 Haviland tasted defeat for the first time on the Payne court. Reserve score 23-27. Varsity score 22-51.

Jan. 14 The Wildcats playing at home handed Latty their first defeat of the season. The reserve also scored a victory. Reserve score 25-29. Varsity score 49-41.

Jan. 17 Haviland met Payne again. Victory!! Reserve score 32-27. Varsity score 52-42.

Jan. 21 Grover Hill Hornets came to the Haviland court for return games and met defeat. Reserve score 43-13. Varsity score 46-20.

Jan. 24 Oakwood at Haviland and the Cats have easy victories. Reserve score 43-11. Varsity score 49-29.

Jan. 28 On the Antwerp court, the Wildcats won both contests. The reserves were in danger several times but settled down to win. Reserve score 23-19. Varsity score 58-37.

Jan. 31 The Wildcats prowl northward. Latty fought valiantly on their own floor but gave way to the sharpshooting Cats. The Reserve game

was settled in an overtime at 34-32. The Varsity ended at 41-40, virtually assuring the County League trophy to Haviland-Scott School.

Feb. 7 Paulding came to the Haviland-Scott court and went home with double victories. Reserve score 19-30; Varsity score 40-30.

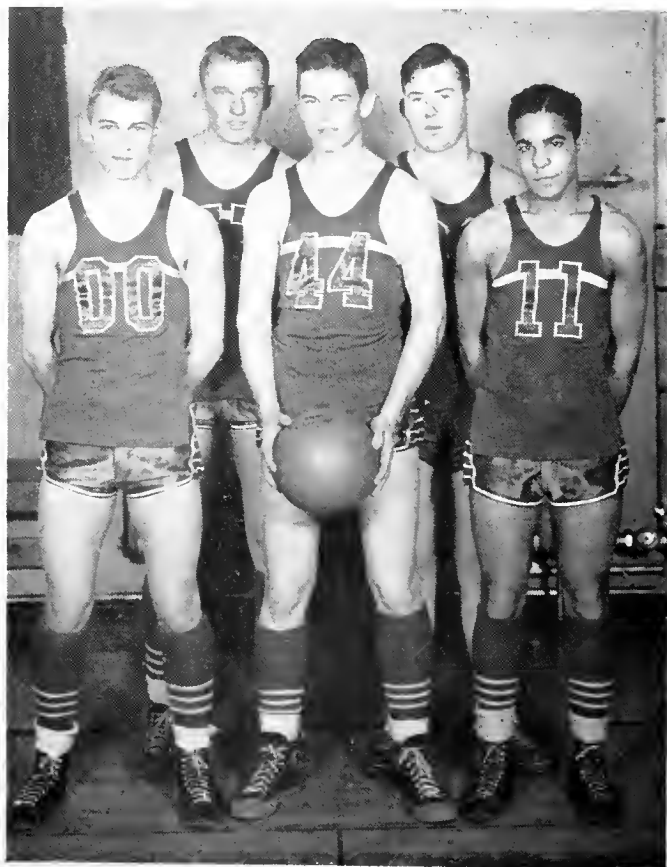

Feb. 11 At Hoaglin-Jackson the Wildcats won contests. The varsity was in danger several times, but settled down to win. Reserve score, 33-28; Varsity, 41-30.

Feb. 18 The Haviland-Scott Wildcats went to the Paulding gym to play Payne in the first game of the tournament. The Wildcats led the Payne Panthers all the way. First quarter score 7-6. Half time score 19-11. At the end of the third quarter the score was 28-24. The final score was 38-36 in favor of the Wildcats.

Feb. 21 On the third night of the tournament, Haviland journeyed to Paulding with high hopes of advancing to the finals, but Paulding had the same idea. Paulding took an early lead of 6-3, at the one-fourth mark. But during the second quarter, the Wildcats gained to make the score stand at the half 17-18, in Paulding's favor. The third was nip and tuck, but still 25-27. During the last quarter the Haviland sharpshooters just could not hit the basket. The game ended with the score 31-38 in Paulding's favor.

Feb. 22 On the final night of the county tourney, Haviland showed that they could still play ball by beating Grover Hill in the Consolation game. During the second quarter, Haviland went on a scoring spree and led 36-12. Haviland scored 4 points and Grover scored 3 during the third quarter. The game ended with the score 54-22 in Haviland's favor.

Paulding won the tournament trophy and Crowell also of Paulding received one of the sportsmanship trophies. Haviland won the basket ball used in the tourney as a Consolation award and Carl Sinn, Junior forward, was awarded the 3r's of Sports Sportsmanship trophy. Haviland also received the League trophy while Antwerp won the league sportsmanship and tournament runner-up trophies.

Of The List

A good citizen is Bill Fast,
He cannot do a wrong and feel right,
Honor to him is first and last,
A virtue he cannot slight.

A's and B's adorn their grade cards,
Because Helen and Emmet are bright.
Would we love to be their wards
So we too could see the light?

Tom and Leah are the most popular two,
They keep laughter in the school.
Always ready with a joke or pun,
Which keeps our days filled with fun.

Always there, always fighting for the ball,
Always playing fair and square,
Are the best athletes Bob and Iva Lou,
They'll either die or do!

THE BAND

Our band, under the direction of Mr. Richard Coffelt, consists of forty-five members. There are twenty-five in the Senior band and twenty in the Beginners band. Even though only eight of them knew anything about an instrument in September, by mid-November their music reminded us of "old times" at the games. Band, your school is proud of your performances at pep rallies, contests, county and local musicals—Good Luck!

WE EXPRESS WORDS IN MUSIC

The music department has been reorganized this year under the very capable direction of Mr. Coffelt, a former GI, who did his bit in Germany. Haviland is his first teaching assignment, and his youthful vigor is extremely valuable for rebuilding and revitalizing our department.

During the school year, the mixed chorus and glee clubs have participated in the local and county Musicals, and the High School Musical Festival at Bluffton, and the Farmers' Institute.

The girls' trio, the mixed quartet, and the boys' quartet deserve special recognition for their excellent performances.

THE SCHOOL ALONG

The G. A. A. is composed of all girls participating in the Physical Education program of the school. The main purpose of the program is to develop and maintain stronger and healthier bodies. The G. A. A. has attempted to supplement this program by developing a keener interest in sportsmanship, cooperation, and general friendliness.

Some high spots in the program of the organization include field nights with other schools and the annual trip to the Van Wert Y. W. C. A. for an evening of skating and swimming.

The election of officers was held the first of the year, and they are as follows:

President, Ruby Craft.

Freshman Assistant, Erma Lehman.

Sophomore Assistant, Iva Lou Laukhuf.

Junior Assistant, Joanne Hough.
